Shoot Better at Lincoln Trap and Skeet

To:	Team Captains
From:	Mike Watmore 2016 Trap League Chairman
Date:	February 26, 2016
Subject:	2016 Lincoln Trap & Skeet Club Summer Trap League

The 2016 Summer Trap League will begin on Wednesday April 20, 2016 at 6:00 p.m. and will run seventeen weeks including the 2 week qualification with the last regular shoot on August 17 providing we have no rainouts. There will be no League shooting on June 22st. This will allow shooters who want to participate in the Nebraska State Shoot at Doniphan Nebraska to attend.

We have done a lot of work on the traps, voice calls and trap houses since last year. All machines have been pulled from the houses and gone through tuning, lubricating and replacing worn parts. The voice calls also are having the connections and cords replaced. This should avoid many of the equipment issues we experienced last season.

We also want to have a captains meeting /shoot on Wednesday March 30. Please plan on attending so we can discuss any concerns that you have. We will provide food that night. Please let me know if you are able to attend this meeting so we can plan.

Enclosed you will find a 2016 League calendar, invoice and a blank team roster. We are asking you fill out the team roster this year so we can up-date our shooter files. Remember you can only have ten (10) members on your roster. Please include all of the E-Mail addresses you have for your team members. This helps us defray postage cost and makes communication easier.

If you are not going to have a team this year please let me know as soon as possible as we have new teams waiting to come aboard.

If you are not a captain this year please pass this one to the person who will be the captain for the team.

If you have more than one team participating please make copies of the invoice enclosed and submit them.

The sponsor fees will be , \$60.00 per team. This years target prices will be remain the same at \$70.00 per team per night to be paid at the clubhouse when picking up your weekly score sheets. Sponsor fees and rosters are due no later than March 31, 2016. Please call me if you have any questions or problems with the due dates.

The picnic and awards night will be Wednesday August 31 to, provided no rainouts. If rainouts occur the picnic will be moved accordingly.

As in the past you will shoot both short and long yardage on the same trap. You have 30 minutes to complete both rounds.

We will use the same classification system as in the past. Reviewing last year team averages to determine your division. New teams placement as always will be determined during the first two weeks of League shooting. Awards will go to the first and second place winners in a division.

If you are having problems fielding a team please call me as I generally have single shooters looking for a team.
--

If during the year you are missing a person on any given night, we are going to try and have a small pool of people that can fill in to avoid a team having to shoot short.
