Shoot Better at Lincoln Trap and Skeet

To:	Team Captains
From:	Mike Watmore 2018 Trap League Chairman
Date:	March 2, 2018
Subject:	2018 Lincoln Trap & Skeet Club Summer Trap League

The 2018 Summer Trap League will begin on Wednesday April 25, 2018 at 6:00 p.m. and will run fifteen weeks including the 2-week qualification. The last regular shoot is on August 15 providing we have no rainouts. There will be no League shooting on June 20nd. This will allow shooters who want to participate in the Nebraska State Shoot at Doniphan Nebraska to attend. There will also be no shooting on July 4

Enclosed you will find a 2017 League calendar, invoice and a blank team roster. We are asking you fill out the team roster this year so we can up-date our shooter files. Remember you can only have ten (10) members on your roster. Please include all of the E-Mail addresses you have for your team members. This helps us defray postage cost and makes communication easier. I especially need the captain's E-mail.

If you are not going to have a team this year please let me know as soon as possible.

If you are not the captain this year please pass this on to person who will be the captain for the team.

If you have more than one team participating please make copies of the invoice enclosed and submit them.

The sponsor fee will be \$100.00 per team. This year's target prices will be the same at \$70.00 per team per night to be paid at the clubhouse when picking up your score sheets. Sponsor fee and rosters are due no later than April 9, 2017.

Please call me if you have any questions or problems with the due dates.

The picnic and awards night will be Wednesday August 29 to, provided there are no rainouts.

If rainouts occur the picnic will be moved accordingly.

As in the past you will shoot both short and long yardage on the same trap.

You have 30 minutes to complete both rounds. Please be on time.

We will use the same classification system as in the past. Reviewing last year team averages to determine your division.

New team's placement as always will be determined during the first two weeks of League shooting.

Awards will go to the first and second place winners in a division.

If you are having problems fielding a team please call me as I generally have single shooters looking for a team.

If during the year you are missing a person on any given night, we are going to try and have a small pool of people that can fill in to avoid a team having to shoot short.

Please read the following:

Lincoln is now a member of the WASP-B traveling trap league. This is a fun league that is held 7 times through out the summer. It is a 16 yard event of 50 targets that can be shot anytime between 8:00AM and 3:00 PM. It is held on Sundays during the summer at different club sites. There are individual awards and team awards and a prize shoot at the end of the season. It is a family oriented event with many opportunities for young shooters. You would be shooting for Lincoln Trap & Skeet in this league. We need some shooters in every class to compete for the team awards.

Please call me if you have any interest in this league and I will send you the rules and shoot dates. I believe you would find it very fun. The dates are:
